Dear Mr. Corey Cahill:

The Federal Aviation Administration, Spectrum Engineering Services Group received the Cobham notification letter of its filing with the Federal Communications Commission (FCC). The application is for certification of the AVIATOR 200S/700S with FCC ID: ROJ-AVIATOR200S and ROJ-AVIATOR700S.

We have completed the review process of the information submitted by Cobham and concluded that we have no objection to the FCC granting certification for this equipment.

If you require any additional information, please contact Mr. Jae Shin, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-7365 or via e-mail [jae.w.shin@faa.gov](mailto:jae.w.shin@faa.gov)

Sincerely,
