RE: FCC ID ROJEXPLORER-710

The TT-3720B System includes the following main units:

TT-3732B EXPLORER 710 Transceiver
TT-3703B EXPLORER 710 Antenna

TT-3732B, contains an already FCC approved WLAN module: Grant No. F4AAPPN551

To see The WLAN modules Grant No in the build in display of the TT-3732B:

Figure 1: Main menu

Figure 2: Scroll down to "Properties"

Figure 3: Scroll down to "Conformity"

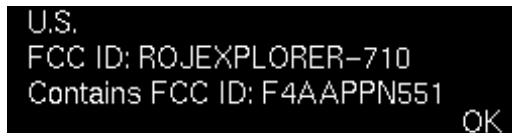

Figure 4: FCC ID shows on display. Press "OK" to exit.

Sincerely,
Thrane & Thrane A/S trading as Cobham SATCOM.
