STATEMENT

The McMurdo R5 GMDSS, VHF radio telephone is based on the SAILOR SP3510 VHF / SAILOR SP3520 VHF platform.

McMurdo R5 is based on the same cabinet and electrical construction as the SAILOR SP3520 with minor exceptions which are: The colour of the cabinet is changed to orange and the keyboard has undertaken a small cosmetic change.

McMurdo R5 VHF can use a rechargeable battery TT-1707A which has a different model name but is electrically/mechanically identical to the SAILOR battery B3502

McMurdo R5 VHF can use the battery chargers TT-1704A and TT-1705A which has a different model name but are electrically/mechanically identical to SAILOR battery chargers CH3507 and CH3508.

We, Thrane & Thrane, declare that the McMurdo R5 GMDSS, VHF Hand Held radio has a different model name but is electrically/mechanically identical to SAILOR SP3520 VHF with respect to safety issues according to the MED directive.
