RE: Confidentiality Request for Tire Pressure Monitor; TPMT, FCC ID # RP3-3833

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We request that the schematics required for submission with this application be withdrawn from public review. The reason for this request is that the documents are company proprietary information that we do not wish to make available to our competitors.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Wittliff", written over a horizontal line.
