## Family Model Declaration Letter

**FCC ID: RPJ-02LA20G**

We, **SD Biosensor, Inc.**, located at Republic of Korea, herewith confirm the following products have the same intended use and composition of test device. The difference between both configurations is the company selling them and the branding design that does not affect the quality, safety or efficacy of the product.

Therefore, Curo L7s is a product OEM product for the STNADARD™ LipidoCare product.

Model	Product Name	Selling Company
02LA20G	STANDARD™ LipidoCare Analyzer	Sommet
99LA20G-2	CURO L7s LipidoCare Analyzer	SD Biosensor

Sincerely,

**Contact Name: Hyo-Lim, Park**

**Title: Senior Manager**
