InstaPick

Installing

Before using InstaPick, you need

1. InstaPick
2. Mac / Windows device
3. ColorKing (free) or ColorKing plus
4. http://instapick.ufro.com

macOS Store

Windows Store

Pairing in macOS

1. Enable Bluetooth on Mac.
2. Turn on ColorKing.
3. Press the InstaPick, then the Bluetooth icon displays black.

Pairing in Windows 10

1. Enable Bluetooth on Windows.
2. Go to **Settings** > **Devices** > **Bluetooth & other devices** > **Add Bluetooth or other device** > **Bluetooth.**
3. Press InstaPick and select Insta_xxxx.

Capturing Color

1. Press on the object to select it. The ColorKing or ColorKing Plus displays the color.
2. Begin drawing with your color selection.
