Subject: Request FCC to dismiss the grant

Ref: BCM Communication Co., Ltd.
FCC ID: RPW-MOR600
Grant date: 09/21/2007
TCB Reference No: AN07T7104

To Whom It May Concern:

Compliance Certification Services Inc. (Taiwan) was the agent submitting above application to CCS-TCB. CCS-TCB received a written request from Compliance Certification Services Inc. to dismiss the FCC because the output power reported under the approved FCC ID is too low which doesn't agree with their specification. Per BCM Communication Co., Ltd. request, they will like to re-file under the same FCC ID with the new measured output power after dismissing the original grant.

Attached please find the dismissal request letter issued by Grantee with the statement of none approved device has been placing on the market.

If you have any question, please feel free to contact the undersigned.

Best Regards
