

Subject : Request for make FCC Part 15.247, RSS-210 report & FCC/IC Mini-filing

Date: Feb. 08, 2005

To Compliance Certification Service (CCS),

We, Alpha Networks Inc., request CCS to make a FCC Part 15.247, RSS-210 test report from Atheros Communication, Inc.'s FCC/IC report . The EUT information is as follows :

New EUT Name: Wireless Cardbus
New Model Number: AWLC4130
New IC ID : 4833A-AWLC4130
New FCC ID: RRK-AWLC4130

Original Applicant: Atheros Communications ,Inc
Original EUT name: 802.11b/g Cardbus
Original Model Number: AR5BCB-00051

We claim that NEW EUT is electrically identical identical Antenna, BOM, Schematic & PCB layout as original cert. Only the EUT name, model name, trade name are different.

Sincerely,

Name/ Title: Webber Tseng / Program Management Engineer
