Re.: Statement of the change in identification

New FCC ID: RRK2006050055-1

To Whom It May Concern:

Alpha Networks Inc. is marketing under our own New FCC ID, which is multiple listing against MICRO-STAR INT'L CO., LTD. /Original FCC ID: I4L-MS6833B-M, granted on Mar. 28, 2006. The equipment marketed differs from the original one in product name. Their circuit and performance are the same, so the original- test results continue to be representative of and applicable to the equipment with the new FCC ID.

Sincerely yours,
