

REVISION HISTORY

RELEASE FOR PRODUCTION

APRIL 16
2019

PLACE LABELS ON THIS LOCATION

(SiriusXM) pandora

Spot Repeater

Model No: DBESR-20W
FCC ID: RS2DBESR20W

CAUTION:
Changes or modifications not expressly approved by SiriusXM could void the user's authority to operate this equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.
