

Operating channel

The following operational description applies to the devices, whose FCC ID is RTP-55010016-1

The devices can be configured for operation in the 2.4 GHz band, 5.3 GHz band or 5.8 GHz band. For each band, the channel set allowed is the following

2.4 GHz band	channel 1 to 11
5.3 GHz band	channel 56-64
5.8 GHz band	channel 149-161

The installer or operator can select any of the channels listed above. The device's configurator will only accept a channel corresponding to the choice available in the table above.
