Justification for Change in Grantee Code

Gentlemen,

Hewlett Packard Company is in the process of splitting to two separate companies.

One will be called HP Inc, and the other will be called Hewlett Packard Enterprises.

The Grantee Code B94 will be moving to the HP Inc side, even though some products will remain with Hewlett Packard Enterprises.

We currently also own Grantee Code RTP.

We will be changing the Grantee Code B94 to RTP for the following products:

B94MRLBB1301
B94MRLBB1401
B94MRLBB1402
B94MRLBB1403
B94RSVLC1103

Sincerely,

A handwritten signature in cursive script that reads 'John Czyzewicz'.

John Czyzewicz
Hewlett Packard Company
Principal Regulatory Engineer
