Regarding FCC guidelines for DFS Client device in KDB 848637:

> [848637 D01 DFS Client Devices v01; Publication Date: 08/14/2014;
> Section iv. "A Statement of Conformity for the Client in Non-
> Associated mode is required. The Form 731 application must include a
> Cover Letter Attachment stating that the client software and associated
> drivers will not initiate any transmission on DFS frequencies without
> initiation by a master. This includes restriction on transmissions for
> beacons and support for ad-hoc peer-to-peer modes."

We declare that the client software and associated drivers will not
initiate any transmission on DFS frequencies without initiation by a
master. This includes restriction on transmissions for beacons and
support for ad-hoc peer-to-peer modes.
