Re: Supersede request for FCC ID: RUJ-LR802UKN2-B; Granted on 06/26/2013

To Whom It May Concern:

We regret to inform you that we had applied a different label from the label we would use on the module of LR802UKN2-B and it may cause the confuse to the customs of USA, we have submitted the wrong External Photos\_RUJ-LR802UKN2-B & Label Sample & Label location\_RUJ-LR802UKN2-B exhibit to the filing.

To prevent misunderstanding to the public, we would like to request the FCC to supersede the exhibit described as (External Photos\_RUJ-LR802UKN2-B\_rev & Label Sample & Label location\_RUJ-LR802UKN2-B\_rev)

If you have any questions, feel free to contact us. Thank you.

Sincerely yours,

-----  
Clark Tsai / Senior Engineer
