RE:
FCC ID: RUN1320X-QE128EVB
IC: 6447A-1320XQE

Please find enclosed the submission package for Freescale Semiconductors Zigbee developer kit Model number 1320x-QE128-EVB. The numbers referenced above are the FCC ID and Industry Canada ID numbers sought in this application for approval under FCC Rule part 15.247 and Industry Canada RSS 210, Issue 7. Note when reviewing this application that this product is intended for commercial use with Wireless Developers and will not be sold to the general public. As such the digital portion of this device complies with FCC Part 15 Class A. Note also that due to the nature of the product, Confidentiality is not required in this application.

Sincerely,

A handwritten signature in dark ink, appearing to read "Glen Moore", is written over a horizontal line.

Glen Moore
Wireless/EMC Manager
NTS
On Behalf of Freescale Semiconductor
