Authority to Act as Agent

On our behalf, I appoint TÜV SÜD Product Service, a division of TUV SUD Ltd, Octagon House, Concorde Way, Segensworth North, Fareham, Hampshire, PO15 5RL to act as our agent in the preparation of this application for equipment certification. I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in Industry Canada's regulations will have affixed to it a label identical to that submitted for approval with this application.

In signing this document I also agree that our equipment below shall not be distributed, sold, offered for sale or leased in Canada before the details of its certification have been added to the Industry Canada Radio Equipment List (REL) by Curtis-Straus LLC Certification Body. I understand that details of the filing may be published on the Industry Canada REL.
