Re: Request for Confidentiality

To Whom It May Concern:

In reference to the application under SkyConnector Mini (FCC ID: RV7-SC5111) and pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of the accompanying information as outlined below:

Schematics

Block Diagrams

Theory of Operations

These documents contain detailed system and equipment description and related information about the product that SkyPilot Networks, Inc considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, SkyPilot Networks, Inc considers that this information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
