Re: Request for Confidentiality
Applicant: SkyPilot Networks, Inc.
FCC ID: RV7-SD1085
To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Sections 0.457 & 0.459. We have requested to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are request to be kept confidential:

- Schematics
- Block diagrams
- Operational description

Rationale for the request for confidentiality:

SkyPilot Networks, Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.

Please contact me if there is any information you may need.

Sincerely,

William G. Olsen,
Director of RF Hardware
