- K. HDMI 2.0 port
- L. Power port / Thunderbolt 3[™] (USB-C[™]) port
- M. 3.5 mm combo port

SETTING UP YOUR RAZER BLADE STEALTH

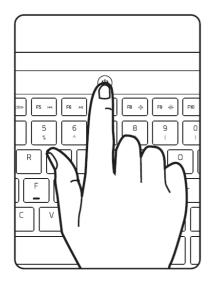

CONNECT THE POWER ADAPTER AS FOLLOWS

Make sure that the AC plug is properly inserted into the power outlet and the power adapter.

An indicator will light up to show that the adapter is receiving appropriate power. Insert the power adapter's USB-C connector into the Razer Blade Stealth's power port. Press the power button to turn on your Razer Blade Stealth.

*Use the appropriate power cord for your region.

For first time use, please fully charge your Razer Blade Stealth or connect it to a power outlet before turning it on. It takes approximately 3 hours to fully charge the Razer Blade Stealth.

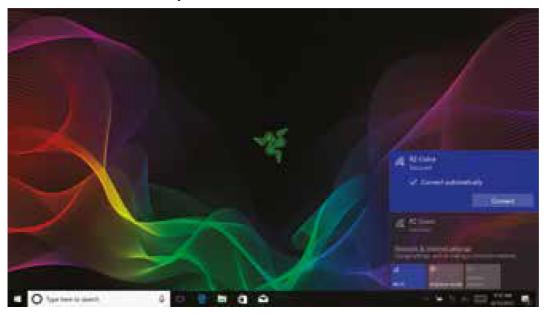

CONNECTING TO THE INTERNET

The screens shown are subject to change based on the current version of your Operating System.

1. Click the wireless network icon () to bring up the Wireless network list. The system will automatically search for wireless networks in range.

2. Click the network you wish to connect to and click Connect.

3. Enter the network password (if any) and select whether to enable network sharing. Click **Next**.

4. Once you are connected to the wireless network, click anywhere outside the window to return to the desktop.

RAZER SYNAPSE ACCOUNT CREATION & INSTALLATION

Razer Synapse allows your Razer Blade Stealth and other supported Razer peripherals to download drivers and firmware updates. Razer Synapse also enables your custom settings to be stored on cloud servers so that they can be accessed anytime, anywhere. In addition, Razer Synapse allows you to immediately register your product and get real-time information on your product's warranty status.

- Razer Synapse will start automatically once you enter Windows 10.
- 2. Register for a Razer Synapse account and confirm your new account.
- 3. Open Razer Synapse and login to your account.
- 4. Wait until Synapse automatically downloads and installs the necessary drivers.

CONFIGURING YOUR RAZER BLADE STEALTH

The features listed here require you to log in to Razer Synapse. These features are also subject to change based on the current software version and your Operating System.

LIGHTING TAB

The Lighting Tab allows you to customize the look of your gaming keyboard by choosing from 16.8 million colors for the backlight or you may select the SPECTRUM CYCLING option to allow the colors to change indefinitely.

Note that customizations made in this tab only affects the lighting on the keys. The keyboard indicator LEDs will not be affected.

If you have other Razer Chroma-enabled devices, you can synchronize all lighting scheme by clicking the button. Note that this synchronization function will only apply on devices that support the selected scheme.

BASIC LIGHTING EFFECTS

	Name	Description	How to set up
\bigcirc	Breathing	The lighting fades in and out of the selected color(s)	Select up to 2 colors or randomize colors
B	Fire	Each key lights up in warm colors to mimic the motion of flames.	No further customization required
	Reactive	The LEDs will light up when a key is pressed and will fade off after a specified period of time.	Select a color and a duration.
	Spectrum cycling	The LEDs will cycle between 16.8 million colors indefinitely	No further customization required
	Starlight	Each key will have a chance of fading in and out at a random time and duration	Select up to 2 colors or randomize colors and select a duration

\bigcirc	Static	The LEDs will remain lit in the selected color	Select a color
	Wave	The lighting will scroll in the direction selected	Select either left-to-right or right-to-left wave direction

Note: Razer Chroma lighting effects are not applicable for Gunmetal Edition.

Please refer to the Online Master Guide at <u>razersupport.com</u> for in-depth instructions on how to configure and use your Razer Blade Stealth.

SAFETY AND MAINTENANCE

SAFETY GUIDELINES

In order to achieve maximum safety while using your Razer Blade Stealth, we suggest that you adopt the following guidelines:

Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to <u>razersupport.com</u> for support. Do not attempt to service or fix the device yourself at any time.

Do not take apart the device (doing so will void your warranty) and do not attempt to operate it under abnormal current loads.

Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of $0^{\circ}C$ ($32^{\circ}F$) to $40^{\circ}C$ ($104^{\circ}F$). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.

COMFORT

Research has shown that long periods of repetitive motion, improper positioning of your computer peripherals, incorrect body position, and poor habits may be associated with physical discomfort and injury to nerves, tendons, and muscles. Below are some guidelines to avoid injury and ensure optimum comfort while using your Razer Blade Stealth.

- 1. Position your laptop directly in front of you. If you have an external mouse, position it next to the laptop. Place your elbows next to your side, not too far away and your mouse within easy reach.
- 2. Adjust the height of your chair and table so that the laptop is at or below elbow height.
- 3. Keep your feet well supported, posture straight and your shoulders relaxed.
- 4. During gameplay, relax your wrist and keep it straight. If you do the same tasks with your hands repeatedly, try not to bend, extend or twist your hands for long periods.
- 5. Do not rest your wrists on hard surfaces for long periods. When using an external mouse, use a wrist rest to support your wrist while gaming.
- 6. Do not sit in the same position all day. Get up, step away from your desk and do exercises to stretch your arms, shoulders, neck and legs.
- 7. If you should experience any physical discomfort while using your laptop, such as pain, numbness, or tingling in your hands, wrists, elbows, shoulders, neck or back, please consult a qualified medical doctor immediately.

FCC DECLARATION OF CONFORMANCE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

- Consult the dealer or an experienced radio TV technician for help.

For more information, refer to the online help system on razerzone.com.

FCC CAUTION STATEMENT

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) This device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by party responsible for compliance could void the user authority to operate this equipment.

IMPORTANT NOTE:

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter

INDUSTRY CANADA INFORMATION

This device complies with Industry Canada licence-exempt RSS standard(s).

Operation is subject to the following two conditions:

(1) this device may not cause interference, and

(2) this device must accept any interference, including interference that may cause undesired operation

of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de

licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) l'appareil ne doit pas produire de brouillage, et

(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

This device is restricted to indoor use due to its operation in the 5.15 to 5.25GHz frequency range. Les dispositifs fonctionnant dans la bande 5.15-5.25GHz sont reserves uniquement pour une utilisation à

l'intérieur afin de réduire les risques de brouillage préjudiciable aux systèmes de satellites mobiles utilisant

les mêmes canaux.

High-power radars are allocated as primary users (i.e. priority users) of the bands 5.25 to 5.35GHz and

5.65 to $5.85 \mbox{GHz}$ and that these radars could cause interference and/or damage to LE-LAN devices.

Les utilisateurs devraient aussi être avisés que les utilisateurs de radars de haute puissance sont désignésutilisateurs principaux (c.-à-d., qu'ils ont la priorité) pour les bandes 5.25-5.35GHz et 5.65-5.85GHz et queces radars pourraient causer du brouillage et/ou des dommages aux dispositifs LANEL.

This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada

RADIATION EXPOSURE STATEMENT:

The product comply with the Canada portable RF exposure limit set forth for an uncontrolled environmentand are safe for intended operation as described in this manual. The further RF exposure reduction can beachieved if the product can be kept as far as possible from the user body or set the device to lower outputpower if such function is available.

DÉCLARATION D'EXPOSITION AUX RADIATIONS:

Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les Etats-Unis et leCanada établies pour un environnement non contrôlé.

Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RFpeut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou quele dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

CE STATEMENT OF COMPLIANCE WITH EU DIRECTIVE

Razer Inc. declares that the radio equipment type RZ09-0196 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: <u>www.razerzone.com</u>

Support Wireless Frequency (Max e.r.i.p): BT 3.0 (2402-2480MHz) : 6.81dBm BT 4.0/4.1 (2402-2480MHz) : 0.75dBm WIFI 2.4GHz(2412-2472MHz):**18.52dBm** WIFI 5GHz(5150-5250MHz):**19.84dBm** WIFI 5GHz(5250-5350MHz):**19.84dBm** WIFI 5GHz(5725-5850MHz):**13.28dBm**

LIMITED PRODUCT WARRANTY

For the latest and current terms of the Limited Product Warranty, please visit: <u>razerzone.com/warranty</u>.

LIMITATION OF LIABILITY

Razer shall in no event be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive or consequential or incidental damages, arising in any way out of distribution of, sale of, resale of, use of, or inability to use the Product. In no event shall Razer's liability exceed the retail purchase price of the Product.

COSTS OF PROCUREMENT

For the avoidance of doubt, in no event will Razer be liable for any costs of procurement unless it has been advised of the possibility of such damages, and in no case shall Razer be liable for any costs of procurement liability exceeding the retail purchase price of the Product.

GENERAL

These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (in so far as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms. Razer reserves the right to amend any term at any time without notice.
