

Annex C. Photographs

C.1 Test Setup

30MHz-1GHz	1GHz-11GHz
	
11GHz-40GHz	
	

C.2 Test Sample

Sample #01

Module Front	Module Back
	
Extender board	Laptop
	
Main antenna	Aux antenna
	

Sample #03

<p>Module Front</p>	<p>Module Back</p>
	
<p>Module Front</p>	<p>Module Back</p>
	
<p>Socket Front</p>	<p>Socket Back</p>
	
<p>Extender board</p>	<p>Laptop</p>
	

Main antenna	Aux antenna
 <p>A photograph of a black, cylindrical antenna component. A yellow label is affixed to the center, featuring the Intel logo and the text "WRF LAB EUT # 200921-01.S03". The antenna is positioned horizontally above a black ruler with white markings, which shows a length of approximately 100 millimeters.</p>	 <p>A photograph of a black, cylindrical antenna component, similar to the main antenna. A yellow label is affixed to the center, featuring the Intel logo and the text "WRF LAB EUT # 200921-01.S04". The antenna is positioned horizontally above a black ruler with white markings, which shows a length of approximately 100 millimeters.</p>
