Ref.: FCC ID: RX2503.00.154
Radio equipment authorization by FCC in USA for
Vehicle immobilizer 503.00.154

Dear Sirs

The vehicle immobilizer will be supplied as an original equipment device to the car manufacturer. According to 47 CFR 15.19 (Labeling requirements) the car manufacturer will print the following text in the appropriate User Manual of the car:

“This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference and
- (2) this device must accept any interference received, including interference that may cause undesired operation.”

Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Sincerely,

A handwritten signature in black ink, appearing to be a stylized name.
