RE: Declaration of equality
FCC ID: RX2N14509

We declare the brand/model names in the following table are all refer to the identical product regarding the RF part (Bluetooth):

Model Name	Manufacturer
- N145BT (RX2N145BT)	- Magneti Marelli S.p.A. Div. Sist. Elett.
- N14509 (RX2N14509)	- Magneti Marelli S.p.A. Div. Sist. Elett.

The only differences between the two models regards the addition of a two serial communication lines between the device and two external audio modules. These modification have caused little layout revision in place away from the RF part (Bluetooth).

Thank you for your attention to these matters.
