Question #1: The Engineering Technical Specification which was marked as "Confidential" was submitted as user manual. Please note user manual will be accessible to the public. Please either submit a document that can be provided to the end-user, or please remove confidential from the technical spec.

Best regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
