Morrisville, NC 27560, USA

September 2, 2011

Two Technologies, Inc.  
419 Sargon Way  
Horsham, PA 19044

Dear Sir or Madam:

Telit Wireless Solution has applied for, and has been granted Federal Communications Commission (FCC) registration number RI7CC864-DUAL for its radio module which carries the Telit Wireless Solution model number CC864-DUAL.

This letter will grant permission on a one-time basis to Two Technologies, Inc., a company in Horsham, Pennsylvania, to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Wireless Solution understands that Two Technologies must make this change in order to comply with Federal Communications Commission (FCC) regulations that apply to the installation of this radio module in Two Technologies products.

Two Technologies is applying for the FCC identifier: RYJ-CC864DUAL.

Telit Wireless Solution is supplying the CC864-DUAL to Two Technologies, Inc., unmodified and equivalent to the originally certified unit.

The device is being supplied to the applicant unmodified and equivalent to the original approved unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Tucker", written over a horizontal line.

Brian Tucker  
Global Vice President of Quality  
Telit Wireless Solution
