

## APPLICATION FOR CHANGE OF IDENTIFICATION

March 11, 2008

Two Technologies, Inc. desires a Change of Identification of the Enfora, Inc. Model EDG0100 radio with FCC ID number MIVEDG0100 granted September 20, 2005.

Two Technologies, Inc. will make no internal or external changes to the module manufactured by Enfora, Inc. except for placing a label as required by the application.

The label will contain the new FCC ID number RYJ-EDG0100 that we are requesting with the application for a Change of Identification.
