

APPLICATION FOR CHANGE OF IDENTIFICATION

January 31, 2008

Two Technologies, Inc. desires a Change of Identification of the Socket Communications, Inc. model Go WiFi! P500 radio with FCC ID number LUB-P500CF-1 granted on December 3, 2007.

Two Technologies, Inc. will make no internal or external changes to the module manufactured by Socket Communications, Inc. except for placing a label as required by the application. The label will contain the new FCC ID number RYJ-P500CF-1 that we are requesting with the application for a Change of Identification.
