Re : Comparison List

We, Taiyo Yuden Co., Ltd., add three detachable antennas, **CP209760**, **CP229661** and **CP289390**, in product list as EYTF3CSFT newly. All these antenna gain is below Maximum antenna gain, 3.27dBi for **CP115428-01**, which is already certified as original product. Therefore additional testing has not been requested.

Approval information of original product

These approvals cover **CP115428-01**, **CP228560-X1** and **CP268976-01** in product list.
