To whomsoever it may concern

We the undersigned declare that the original test reports from the integrated wireless module Bluegiga Technologies' WT21-N (FCC ID: QOQWT21N) accurately represent test results under the new conditions in this host. No changes were made to the module by either external circuitry or in the module's firmware that impact the validity of the results of the original module's test reports for the following products:

<u>FCC-ID Number</u>	<u>Product Title/Model</u>
RZ3RAN49110	Rugged and compact vehicular computer/Ranger 4
RZ3RAN45728	Rugged and compact vehicular computer/Ranger 4 EVDO
RZ3RAN48790	Rugged and compact vehicular computer/Ranger 4 HSPA

If you have any questions, please feel free to contact me at the address shown below.

Sincerely

Dominic Pituch
