

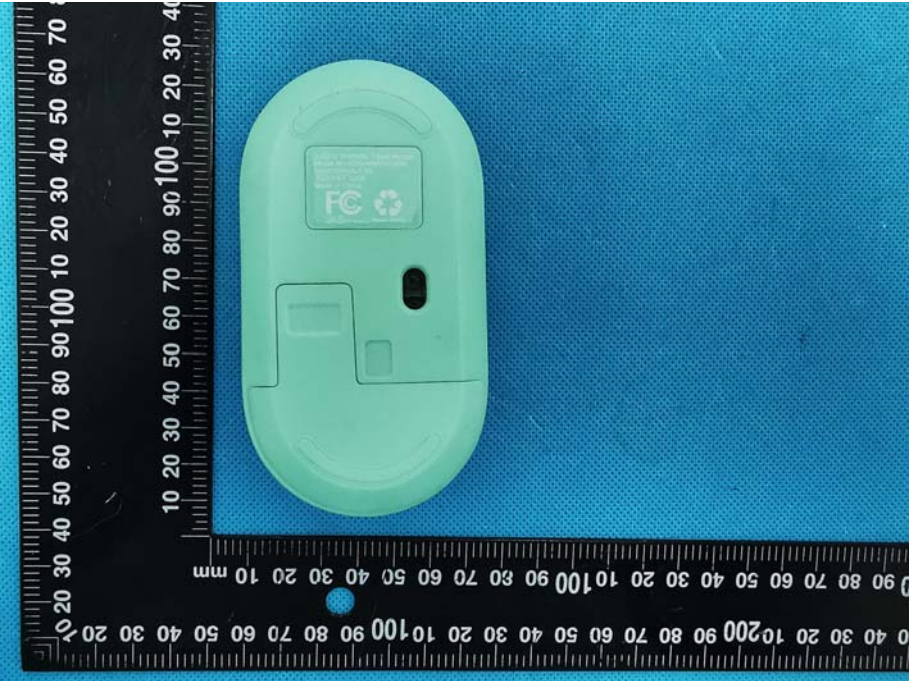

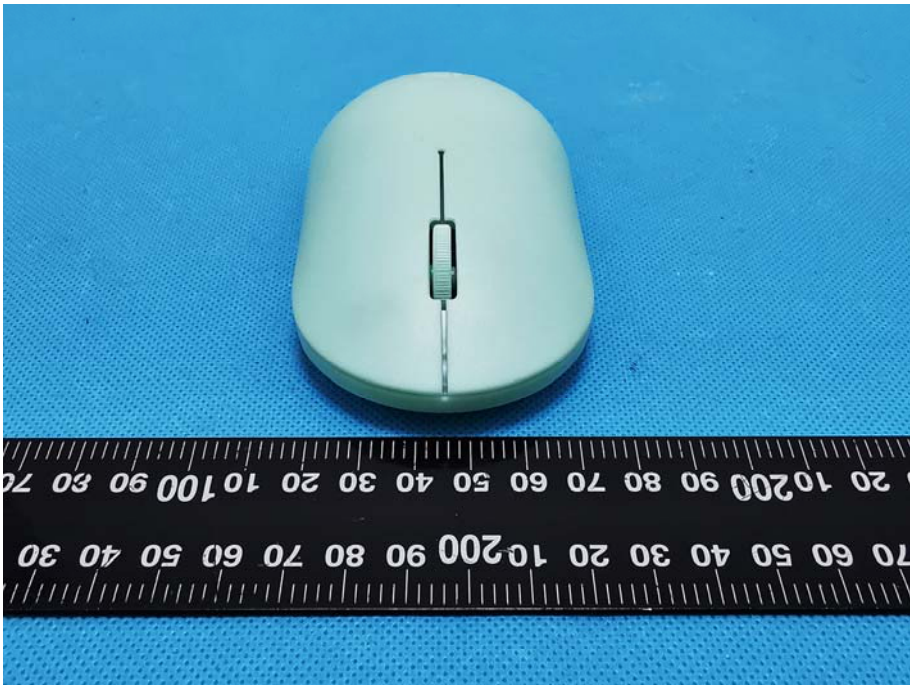

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 A top-down photograph of a light green, oval-shaped mouse. The mouse has a central scroll wheel and two main buttons. A small circular logo is visible on the bottom surface. The mouse is placed on a blue textured surface. A black ruler with white markings is positioned to the left and bottom of the mouse, providing a scale in millimeters.
<p>EUT View 2</p>	 A bottom-up photograph of the same light green mouse. This view shows the underside of the device, including a battery compartment cover, a small circular sensor, and regulatory markings such as 'FC' and a recycling symbol. The mouse is placed on the same blue textured surface. A black ruler with white markings is positioned to the left and bottom of the mouse, providing a scale in millimeters.

<p>EUT View 3</p>	
<p>EUT View 4</p>	

<p>EUT View 5</p>	 A top-down photograph of a white computer mouse. The mouse is centered in the frame against a blue textured background. A black ruler with white markings is positioned horizontally below the mouse, showing measurements in centimeters. The mouse has a vertical scroll wheel in the center and two main buttons on either side.
<p>EUT View 6</p>	 A side-profile photograph of the same white computer mouse. The mouse is shown from an angle, highlighting its ergonomic shape. The blue textured background and the black ruler with white markings are consistent with the previous view, providing a sense of scale.
