Re: Request permission to use WLAN/Bluetooth test reports from application of FCC ID S2F-5830 in the applications of FCC ID: S2F-6740 and FCC ID S2F-7650

Dear FCC:

KILPATRICK LLC and its affiliates ("KILPATRICK") request permission to use WLAN and Bluetooth test reports from application of FCC ID: S2F-5830 (model: C6R7NC) in our applications for FCC ID: S2F-7650 (model: C8X4DE) and FCC ID: S2F-6740 (model: C7U3RE).

All three models share the same form factor, enclosure, main PCB board, display, battery, and I/O design. Further, the WLAN/Bluetooth chipset/module, circuitry, layout, placement, antenna design, as well as transmit power table are exactly the same across all three models.

If you have any questions or concerns with this request, please contact me to discuss.

Warm regards,

Joanne Smith
President
