***Re: Request permission to use Bluetooth test report from application of FCC ID S2F-5830 in the applications of FCC IDs S2F-7650 and S2F-6740***

Dear FCC:

KILPATRICK LLC and its affiliates ("KILPATRICK") request permission to use Bluetooth test report from application of FCC ID: S2F-5830 in our applications for FCC ID: S2F-7650 and FCC ID: S2F-6740.

All three models share the same form factor, enclosure, main PCB board, display, battery, and I/O design. Further, the WLAN/Bluetooth chipset/module, circuitry, layout, placement, antenna design, as well as transmit power table are exactly the same across all three models.

If you have any questions or concerns with this request, please contact me to discuss.

Warm regards,

A handwritten signature in blue ink that reads "Joanne Smith". The signature is written in a cursive style and is positioned above a horizontal line.
