Subject: Request for Confidentiality

Reference: Your correspondence of 04/19/05

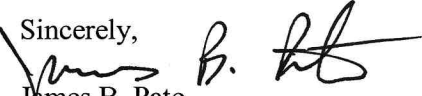

The cover letter with these applications requested confidentiality of certain exhibits be retained. These exhibits are those within the original "ANO..." applications that are being transferred to "S2L...".

Confidentiality for these applications was requested to ensure their continued confidentiality. We are requesting that those exhibits remain confidential after the transfer.

This was discussed in a phone call with Rich Fabina on April 7, 2005 and at that time he indicated the fee for continued confidentiality was not required. However, we are not concerned having paid the fee. It was also indicated that resubmitting the documents was not required and that confidentiality would be maintained.

If you have any questions, please contact me.

Sincerely,

James B. Pate
