Re: Application for Digital Transmission System Certification  
(Class II Permissive Change)

**Application:**

Spectec Computer Co., Ltd., 6F No.92 Nanking E. Rd. Sec.5, Taipei, Taiwan, R.O.C  
herein submits items for Class II Permissive Change Certification of Digital Transmission System,  
FCC ID: S2Y-MINIWLAN11B. Spectec Computer Co., Ltd. is the manufacturer of this equipment.

**Description of Change:**

The original Mini SDIO Wireless LAN Card change single-transmission permission to  
multi-transmission permission. A new RF exposure exhibit is submitted the SAR values when an  
Cellular/PCS Transceiver "Moto Q" (FCC ID: IHDT56FQ1) is held. No EMC and no HAC updates  
are reported.

Please contact me by e-mail (gavin@spectec.com.tw), if there are questions or additional  
information needed concerning this filing.

Best regards,
