

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an EUT housing. The housing is open, revealing a green printed circuit board (PCB) with various electronic components. A white cable is connected to the board. Two metal mesh components are visible on the right side. A ruler is placed horizontally below the housing for scale.
Solder Board-Component View 1	 A close-up photograph of a green printed circuit board (PCB) component. The board is labeled with "TS", "3500V_B2_LED_A1", "0528000516", and "2107023610". It features several electronic components, including resistors, capacitors, and a small integrated circuit. A ruler is placed vertically to the left of the board for scale.

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, identified as 'Solder Board-Component View 2'. The component is rectangular and features several circular holes and a small, light-colored component mounted on its surface. It is positioned next to a black ruler with white markings, which shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The background is a light blue textured surface.
Solder Board-Component View 3	 A photograph of the same green PCB component, identified as 'Solder Board-Component View 3'. This view shows the component from a different angle, highlighting its profile and the mounting of the small component. It is again positioned next to a black ruler with white markings, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The background is a light blue textured surface.

Solder Board-Component View 4	
Solder Board-Component View 5	

Solder Board-Component View 6	 This image shows the bottom view of a printed circuit board (PCB) assembly. The board is populated with various electronic components, including integrated circuits (ICs), capacitors, and connectors. A ruler is placed horizontally below the board for scale, showing measurements in millimeters. The board is mounted on a blue surface.
Solder Board-Component View 7	 This image shows the top view of the same printed circuit board (PCB) assembly. The board features various components, including antennas (ANT1, ANT2, ANT3), wireless modules (WF0, WF1), and other electronic components. A ruler is placed horizontally below the board for scale, showing measurements in millimeters. The board is mounted on a blue surface.
