To Whom It May Concern:

In accordance with 0.459 of CFR 47, Encore Networks Inc., hereby requests confidentiality of Block Diagrams, Circuit Diagrams, Circuit Descriptions, Parts Lists, and Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product, which Encore Networks Inc., considers proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Encore Networks Inc., considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

George Glass
