RE: Certification Application
FCC ID: S52-2-06-01-00-1
IC: 4021G20601001

Please be advised pursuant to 47CFR 0.459 and 0.457 that the following information is to be held permanently confidential on behalf of Global Star Solutions for the above referenced FCC ID.

- Internal Photographs
- Detailed Block Diagram
- BOM
- Schematics
- Tune-up/adjustment procedures;
- PCB Layouts;
- Detailed circuit/Operational/Functional Descriptions

Confidentiality for the above has been requested since the BTS unit is not sold to the general public and the above would reveal significant design ideas to competitors. The units are sold to licensed wireless operators as sealed units that are professionally installed in various enclosures and located in secure remote locations that are not accessible to the general public.

Sincerely,

Bill Stamos
UTStarcom, Inc on behalf of
Global Star Solutions
