*Note: Confidentiality request on internal photos and Users Manual: The PCS Base station is operated by trained and licensed PCS personnel only. The modules cannot be accessed by other than trained service personnel. Due to the nature of this product, the user's manual contains proprietary information required for trained installers to commission the BTS. Availability of the internal photos and the user's manual to any competitors would negate any competitive advantage that Star Solutions.

Global Star Solutions has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Permanent Confidentiality:

The applicant requests the exhibits listed above as permanently confidential be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

Sincerely,

By:  Glen Moore Wireless/EMC Manager, NTS
