Columbia, MD 21046

Subject: FCC Class II Permissive change application for addition of Host system (STXW800) to the FCC certified radio module (GXRM) with FCC ID: S5751454941 originally granted on 13/08/2018.

Honeywell International Inc., is herein submitting a class II permissive change filing for addition of host system because of Radio module is certified as limited Modular Approval, same is integrated in Host system as it is.

The detailed implementation, operation and method is explained as per operation description exhibit

Sincerely,

Samudrala Prasad
