FCC ID: S5E0114BLUT07

We hereby declare that the BluTag equipment (FCC ID: S5E0114BLUT07) utilises identical circuitry to that used in the Blu+ model variant (FCC ID: S5E0114BLU07). The products differ only in minor cosmetic case styling, which has no impact on product performance.

Based on the model similarities this application uses the following test reports from FCC ID: S5E0114BLU07 for demonstrating conformance of the FCC ID: S5E0114BLUT07.

1. RP10155013J27A (760KHz)
2. RP10155013J25A (915MHz)

Yours faithfully,

Stephen Freathy
VP Engineering
