Subject: FCC ID: S5E1106MM1 Product Blu+

To whom it may concern

This is to certify that the results of ERP Testing on the 850 MHz and EIRP testing on 1900MHz are as expected and that the device was operating at maximum power. We can confirm that our own testing of further samples showed similar performance in the same frequencies.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Stephen Freathy'. The signature is written in a cursive style with a large initial 'S'.
