FCC ID: S5EBLU07

We hereby declare that the Blu+ and BluTag host equipment model variants contain identical circuitry. The products differ only in minor cosmetic case styling, which has no impact on product performance.

Based on the model similarities, this FCC ID: S5EBLU07 application uses the following test reports from the Blu+ host equipment (FCC ID: S5E0114BLU07) to demonstrate SAR and ERP/EIRP conformance of the FCC ID: S5EBLU07 when integrated in both Blu+ and BluTag host equipment model variants.

1. RP10155013JD50A (ERP/ EIRP)
2. RP10155013JD30 (SAR)

Yours faithfully,

Stephen Freathy  
VP Engineering
