

The image shows the back of a yellow rectangular device. On the left is a large rectangular recessed area. On the right is a speaker grille consisting of a 4x6 grid of small circular holes. A white rectangular box with the text 'Lable Location' in red is positioned on the right side of the device. A black arrow points from the bottom-left corner of this box to the bottom edge of the device, just to the left of the speaker grille.

Lable Location

D-MOMETER Model 232T 41 F SL2

Serial # DTWD51132501000001

FCC ID : S5S232T

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
