Re: Request for confidentiality

Applicant: Technology Solutions (UK) Ltd.

FCC ID: S6J1059

To whom it may concern,

***Permanent Confidentiality***

Request is hereby submitted by Technology Solutions (UK) Ltd to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics (including PCB layouts and Bills of Material)
- Detailed Block diagrams
- Internal photos

Rationale for request for confidentiality:

Technology Solutions (UK) Ltd has invested considerable time and materials in research and development to produce the referenced product. The material contains trade secrets and confidential information that Technology Solutions (UK) Ltd does not customarily release to the public and which is otherwise not generally available to the public. Disclosure of the permanently confidential portions of this application to competitors would give them significant competitive advantages in developing similar products.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read 'David' followed by a surname.
