UK

RE: FCC Labelling Requirements
FCC ID: S6J1166

To Whom It May Concern:

The following label information is required by the FCC Rules and Regulations for certified devices.

Thank you for your attention to this matter.

Yours faithfully

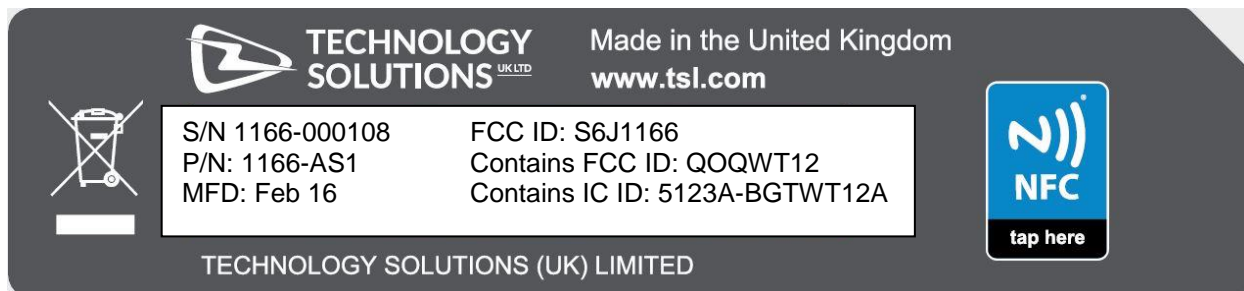

Technology Solutions (UK) Ltd

Full Name: Dr David Corder

Label Design

The ID label contains the reader serial number, the reader part number, the date of manufacture, the country of manufacture and the FCC ID. An example of this label design is shown below:

This label is made from Polyester Autotex F207 label secured to the reader body with 3M 468 adhesive. A paper label containing the serialised information specific to each unit is fitted under this label and is visible through a transparent window.

TECHNOLOGY SOLUTIONS UK LTD

Company No. 02777518
