Declaration of Similarity

23rd March 2016

RE: Declaration of Similarity
FCC ID: S6J1166

To Whom It May Concern:

Please be advised that models 1166-AS1 and 1166-AX1 are electronically identical in terms of the RF components, all RF measurements and test results for the 1166-AS1 are applicable to the 1166-AX1.

The only difference is that the 1166-AS1 contains a 2D barcode reader engine whereas the 1166-AX1 does not. There are no component changes apart from the removal of the 2D barcode reader engine in the –AX1 version.

Thank you for your attention to these matters.

Yours faithfully

Dr David Corder
Design Engineer
Technology Solutions (UK) Ltd
