

Declaration Letter of Changing ID

Date: January 28, 2022

FCC ID: S6T888
IC: 20606-888

On behalf of Tekelek Europe, LTD, we declare there is no change in the design, circuitry, or construction, and the original test results continue to be representative and applicable to the product referenced below. Only the brand name, FCC ID and IC ID number are different.

NCEE Labs performed a brief verification on the module to ensure the essential parameters such as output power and frequency range have not changed.

Original device:

FCC ID: T9JRN2903
IC: 6514A-RN2903

An signed authorization form from the original manufacturer has been provided.

Sincerely,

By:

Nic Johnson, Technical Manager, NCEE Labs
