

SHENZHEN YIFANG DIGITAL TECHNOLOGY CO., LTD.

**Building NO.22,23, Fifth Region, Baiwangxin Industrial Park, Songbai
Rd., Nanshan, Shenzhen 518108, China**

Date: July 25, 2012

We, SHENZHEN YIFANG DIGITAL TECHNOLOGY CO., LTD., declare that this EUT (FCC ID: S7JM712MC) doesn't have Ad Hoc Mode function on "non-US/Canada frequencies". In addition, the frequency selection feature is disabled by firmware for devices marketed to the US/Canada. For DTS part of this device, only channels 1-11 will used in North America. Country code selection is disabled. EUT just only have WIFI function.

Should you have any questions or comments regarding this matter,
please have my best attention.

Sincerely yours,
