Subject: Request for a new certification for:
Sling Media, Inc.
Slingbox PRO-HD
Model: SB300-100

FCC ID: S7USBPB3051

Gentlemen,

Please find enclosed an original package for the Slingbox PRO-HD, Model: SB300-100. The EUT is a breakthrough consumer electronics device that transforms today's TV viewing experience. It enables consumers to watch their TV programs from wherever they are by turning virtually any laptop or internet-connected device into a personal TV. It redirects, or "place shifts" the TV signal from any cable box, satellite receiver, or personal video recorder to a viewer's location and device of choice. The EUT is Sling Media Inc.'s first HD streaming product.

Sling Media, Inc. would like to keep the block diagrams, parts list, internal photos, and operational description with this application confidential. Please see the request for confidentiality enclosed with the exhibits. Sling Media, Inc. would also like to keep the external photos, test setup photos, users manual, and internal photos confidential for 45 days from the issue date of the Grant of Equipment Authorization.

We have enclosed the completed Form 731 with the applicable exhibits.

If you have any questions or need any additional information, please give me a call at (650)965-4000.

Sincerely,

A handwritten signature in blue ink that reads "Kevin Bothmann". The signature is written in a cursive, flowing style.

Kevin Bothmann
Lab Manager
