

Shenzhen Bilian Electronic Co., Ltd.

Statement

The device 750Mbps Wireless Dual Band 11AC Router (M/N: BL-WDR3750, FCC ID: S8J-WDR3750) has five antennas in appearance for design purpose. However, Antenna 3 and Antenna 4 are permanently disabled through software from the factory.

These two antennas have no other usage and purpose but decorative and permanently disabled by the manufacturer.
