RE: FCC ID S8L-OBEMCPA Registration Information Package For Andrew Corporation  
OneBase Extender Multiple Carrier Power Amplifier System.

Dear Sir/Madam:

Attached please find documentation containing information regarding the Andrew Corporation OneBase Extender Multiple Carrier Power Amplifier System (OBEMCPA). This information is being provided for the sole purpose of inclusion as exhibits in the Application for Certification of FCC ID referenced above. Sale of this product will be restricted to network operators.

The packet may be filed as exhibit with the FCC; but Andrew Corporation respectfully requests that the FCC maintain confidence, pursuant to 47-CFR 0.457 and 0.459 of the Commission Rules, the information listed below:

- Functional Diagrams
- Parts Lists
- Operational Description
- Photos of all modules contained within the System. Disclosure of these photos could reveal to a competitor certain proprietary design and manufacturing techniques, which differentiate our products from those of other vendors. Disclosure of such information would cause us to lose such competitive advantage.

This information is considered to be trade secrets with possible patents pending, and the confidential property of Andrew Corporation.

Sincerely Yours,

Christopher F. Zappala  
Andrew Corporation
